

## ProRodeo Relay for Life Team Headed to Elizabeth Stampede

Over the past year, 3 co-workers at the Professional Rodeo Cowboys Association have been diagnosed with cancer. There is no escape from cancer, it does not discriminate. Many have been affected by cancer whether it be through coping with a diagnosis of a friend or a loved one, loss due to cancer, or being diagnosed ourselves. Team ProRodeo, believes that their fundraising efforts will demonstrate support and encouragement to their fellow co-workers and will provide a platform to their community that they care.

Currently, the team has raised \$6,595.00 and leads the Colorado Springs Relay For Life in team donations. They began their fundraising efforts later than most, beginning on April 21, yet have been overwhelmed by the support of their friends, family and ProRodeo community. The majority of their donations have been raised within the PRCA family whether it be our ProRodeo Sponsors, Judges, Stock Contractors or Rodeo Committee members.

Team ProRodeo has been fundraising in a variety of ways including traveling to PRCA Rodeos offering a frisbee toss game to win a 2016 Wrangler National Finals Rodeo ticket package. While onsite at PRCA Rodeos they also offer chances to win a Pendleton Whiskey Fire Pit, various PRCA Ticket Packages, and a vacation package from the South Point Hotel, Casino & Spa. Donors can also have a Rodeo Rhett displayed in their name at the ProRodeo Hall of Fame in Colorado Springs, Colorado for a \$1 donation.

The direct link to the ProRodeo team page is provided here: <http://main.acsevents.org/goto/ProRodeo>. Team ProRodeo is nearing their goal and hope to raise \$10,000.00 in total for the American Cancer Society.

***ALL donations go to support the American Cancer Society through team ProRodeo & Relay for Life***
