DISPLAY ADVERTISING MECHANICAL SPECIFICATIONS

Publication trim size: 8.25" wide x 11" deep.
Acceptable materials: The Elizabeth Stampede accepts 4-color (CMYK color break) camera-ready materials in digital PDF, jpg or tif format (300 resolution). Proofs for approval, are not provided on camera ready ads. Camera ready ads supplied by advertiser received need to be in correct size and format required, for optimum production in program. If your ad is submitted in too low of resolution, and not meeting size/specs that are detailed on this page, it will have to be rebuilt. Stampede is not responsible for any typos or quality of reprint production, on camera ready ads supplied not according to detailed requirements.

Font Type: We recommend using at least 10-point sans serif type (bold or medium weight) when reversing type.
